INDEPENDENT AUDITORS' REPORT

To
The Board of Directors
VALIANT ADVANCED SCIENCES PRIVATE LIMITED

Opinion

I have audited the accompanying financial results of VALIANT ADVANCED SCIENCES PRIVATE LIMITED ("the Company") for the quarter ended 30TH June 2025 ("the financial results") attached herewith required for the purpose of consolidation with Valiant Laboratories Limited (Holding Company).

In my opinion and to the best of my information and according to the explanations given to me these financial results:

i. Give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ("IND AS") and other accounting principles generally accepted in India of the Profit & loss and other comprehensive income and other financial information for the quarter ended 30th June 2025.

Basis for Opinion

I have conducted my audit in accordance with the Standards on. Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"), My responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of financial results of my report. I am are independent of the Company in accordance with the Code of Ethics issued by the Institute of Charted Accountants of India and I have fulfilled my other ethical responsibilities in accordance with the provisions of the Act. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management and Those Charged with Governance for the Audited Financial Results

These quarterly financial results have been prepared for the purpose of consolidation with the audited results of Valiant Laboratories Limited, the holding company. The Company's management and the Board of Directors are responsible for the preparation and presentation of these audited financial results that give a true and fair view of the state of affairs, Profit & loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principle generally accepted in India.

The Management is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for

the purpose of preparation of the financial results by the management and Board of Directors of the Company, as aforesaid.

In preparing the financial results, the management of the company is responsible for assessing the ability of entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

The Board of Directors of the Company are responsible for overseeing the financial reporting process of the company.

Auditor's Responsibilities for the Audit of Financial Results

My objectives is to obtain reasonable assurance about whether financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates
 and related disclosures in the financial results made by management and the Board of Directors of the
 Company.
- Conclude on the appropriateness of the use of the going concern basis of accounting preparation of financial results by management and Board of Directors of the Company and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If I conclude that a material uncertainty exists, I am required to draw attention in our auditors' report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. My conclusions are based on the audit evidence

obtained up to the date of my auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

I believe that the audit evidence obtained by me is sufficient and appropriate to provide a basis for my audit opinion on the financial results.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit of financial results.

I also provide those charged with governance with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
